Dear Mr. Butler:

This correspondence is in response to your Request for Additional Information (RAI) for the above referenced report.

Regarding negative memo entries, these are reversals of contributions received from a JFC in an earlier period. Items that do not have a positive entry in an earlier period are due to the original receipt being below the \$200 itemization threshold.

Regarding receipts of transfers from state party committees. The receipts from CALIFORNIA REPUBLICAN PARTY and COLORADO REPUBLICAN COMMITTEE were offsets to operating expenditures. We have amended our report to reflect this change. The receipt from REPUBLICAN PARTY OF NEW MEXICO was properly reported per the in-kind letter we received.

Regarding the credit card payment to American Express. Certain memos related to this transaction were incorrectly listed below the other credit card payments to this vendor. The report has been amended to attribute the memos to their corresponding itemized transaction.

Regarding the disbursement for "RECOUNT LEGAL AND COMPLIANCE SERVICES" This is a proportion of staff salaries attributable to recount activities as prescribed in AO 2010-14

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,

Anthony W Parker  
Treasurer  
Republican National Committee
